### REMARKS

Applicants respectfully submit that all the claims presently on file are in condition for allowance, which action is earnestly solicited.

### THE CLAIMS

Claims 1 - 39 were rejected under 35 USC 101, which rejection would be withdrawn if the claims were amended to recite a "computer," "computer-readable medium," or whatever word(s) or phrase(s) that specification uses for that feature of the computer.

Applicants have now amended the claims on file, based on the Examiner's rejection, and to place the claims in condition for allowance.

### CONCLUSION

All the claims presently on file in the present application are in condition for immediate allowance, and such action is respectfully requested. If it is felt for any reason that direct communication would serve to advance prosecution of this case to finality, the Examiner is invited to call the undersigned at the below-listed telephone number.

Respectfully submitted,
